

## The Spreading Pink Beauty “Nayantara”

Scientific Name: *Catharanthus roseus*

**Nayantara O Nayantara**

**You are as bright as a star,**

**As pink as a lotus,**

**As beautiful as a rose,**

**You are such a fascinating flower.**

**You need not to be watered,**

**You take care on your own.**

**When I walk through the roads I see you everywhere.**

**On the sides of road & at the terrace of the houses.**

**You smile at me when I walk past you.**

**Grow this way & make our country beautiful**

**And our heads up with pride.**
