**Dear .....**

***Please read carefully prior to you trip.....***

*Thank you so much for making yourself available for the children today. It is vital that the children have the best experience possible in the time available. Please time the trip and allow for traffic so you return by 3pm.*

*It would be appreciated if you could check seat belts are buckled up and discuss with children the best way to get in/out of car (especially if parking in town). In case of car break downs or any other issues, you can contact me on my cell on 027 3232733 or contact the school office on 3585785.*

*It would be great if you could try and contact the Manager for some of the questions.*

*Please ask the children to have turns filling out the form in detail, and there is also a spare copy in your envelope for you to jot down all the information too.*

*Please think about when the best time to fill out the forms will be. These forms and taking the photos are the most important part of the trip so while some activities could be done whilst filling in the form, others would be better suited to completing BEFORE the activity is started.*

*Have a great time and thanks again.*
