11	<p>Now that you have studied about India what do you think about it?</p>	<p>I would like to visit India.          It is interesting          It looks exciting but poor          I think I would have to work hard if I lived in India          I don't think I like India because I don't think they have the PS2 or Xbox.          I like the henna painting          I think it looks like an amazing place          Cool          It looks v.cool to me          It looks like a lovely place to live and I want to go there          I think it is fascinating          I like it because it looks different to England.          Poor          I like the elephants and Tigers          I like India but I would not like to carry a big jug of water on my head every day.</p>
12	<p>Do you read story books? If so, who is your favourite author?</p>	<p>Yes.          Michelle Bat and Jenny Ofield          Roald Dahl          Russell T Davis          Francesca Simon          Jacqueline Wilson (she's the best)          Roland Dahl          Roald Dahl          Lemony Snickett          Ronald Dahl          Michael Rosen          Dave Pilky          JK Rowling          Francesca Simon          I don't have a favourite I like lots of different ones          Michelle Bates</p>

13	Have you read any books written by an Indian author?	<p>No.  Just so stories  we have watched some cartoons from india  i have read a story about Rama</p>
14	What fascinates you the most about your country?	<p>Lots of places to ride bikes.  sweet shops  shops in Exeter  Fairs  we have good football teams  The number of shops in town.  The underground in London  Lots of fun places to go  The weather  Games  The beaches  wether  The people in england.  That we have so much electricity.  You can go mountain biking all over the place  the poeple  We have TV and the Xbox and PS2  Legoland</p>
15	What fascinates you the most about India?	<p>Chembakolli.  the countryside and the cities are different  The poor people are very poor and have to do a lot of housework  The people  It looks much sunnier than here  henna and spices  There are elephants in the streets!  The nature and the forests and wildlife are so colourful.  You have 18 l;anguages  Elephants  lots of food that we don't have  It is very hot sometimes  You have the highest mountains in the World.  henna designs  You have to climb a tree if a wild elephants comes after you.</p>

		It is so different to our country
